WHAT'S IT ALL ABOUT?

Dear business & kitesurf friends,

The Founders Kite Club (FKC) is an **invite-only Business Club** for fellow **entrepreneurs, investors and innovators** who are connected through their passion for kiteboarding (and those who want to get to know it) and their courage for improvement.

We are well aware of the bonding power of our sport and use it to push each other in life and work.

The FKC organises kitesurf & networking events, bringing like minded people together in an informal and intimate atmosphere in order to discuss central entrepreneurial challenges.

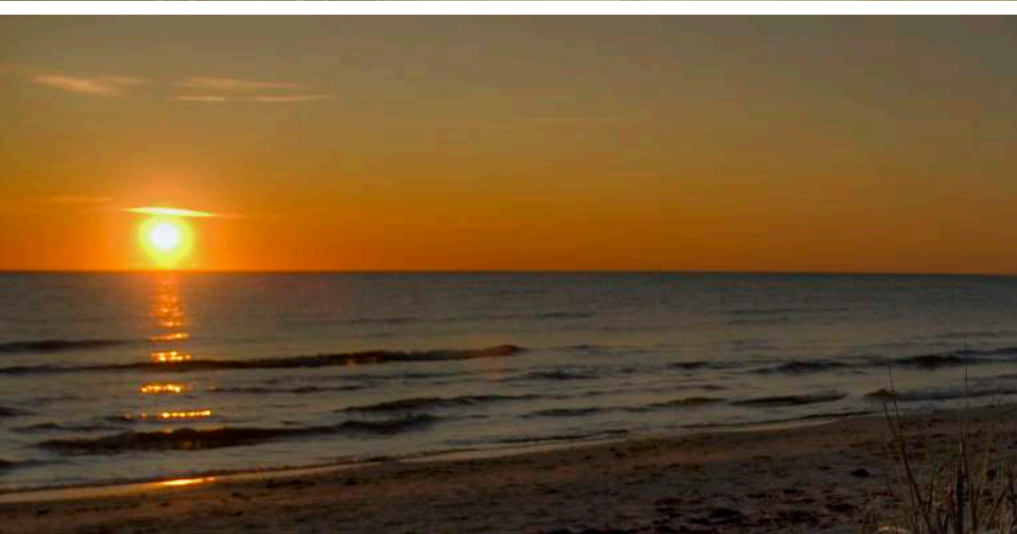

The main event takes place from Thursday until Sunday, while all participants are welcome to join us for the warm-up which starts on Monday.

During the main event we will be hearing several keynotes, pick each others' brains during Master Mind Sessions and gain insights on latest technology. All our activities offer room for networking according to our motto: „Business in Boardshorts“.

Thus make sure you clear your agenda and send us your application for invitation in time because we are limited to 50 slots in total. We will be in touch shortly after.

Your Founders Kite Club Team

MASTER MIND SESSIONS

KITESURFING

INTIMATE ATMOSPHERE

KEYNOTES

FURTHER INFO

We will be living in a village made of traditional Swedish cottages close to our kite spots and surrounded by the islands beautiful nature.

Exact prices for accommodation will be announced shortly.

ACCOMMODATION

ENDLESS SUNDOWNERS

No matter where the wind is coming from in Gotland there is always at least one spot where this direction is the right one. Experience amazing - never ending sundowners on the wild coast of Swedens largest island. In summer it never gets completely dark so you can technically kite through all night (picture was taken at 11.30pm). Enjoy a different kind of kiteboarding on the wild coasts of Sweden.

BEGINNERS WELCOME!

You're not a kiter yet? You're not alone. We work closely with the kite schools on Gotland to ensure a great first kite-experience. Let us know if you need an instructor.
