HEILIGENHAFEN, GERMANY
19. – 22. JULY 2018

KITESURFING

Heiligenhafen is a great kitesurfing spot at the Baltic Sea especially for WSW winds, which are the most common in July.

The island of Fehmarn is a stone throw away and offers perfect conditions for every wind direction and also hosts the annual Kitesurf World Cup in Germany.

In and around Heiligenhafen are great spots for waves and lagoons with flatwater. Our locals will make sure we are always at the right spot.

The average temperature is 22°C.

FAMILY FRIENDLY

Our FKC event in Heiligenhafen is our family friendly event. We have selected a hotel, which suits the needs for kitesurfers and families. We will adjust our program to make it convenient for everyone and daycare will be available for the little ones.

Heiligenhafen and its surroundings also boost some great activities for kids and families, like two large aquariums or a wakeboard cable park.

ACCOMODATION

We will stay at the **Beach Motel Heiligenhafen**. The hotel is located right at the beach and we can launch our kites directly in front. For further information visit www.beachmotel-hhf.de
